Planning a gathering with purpose?

Triodos Foundation charity has a bright event space in Triodos Bank's Bristol office available for charities, community groups and mission-led organisations to hire.

Every booking has impact: room-hire income goes to Triodos Foundation UK (registered charity no. 1052958). We keep hire low-cost for people working for social, environmental and cultural change, with a subsidised rate for eligible small charities and not-for-profits.

Profit from the event space is gifted to local charities quarterly via our grant process.
